

Computer Collection

WasteCap of Lincoln held a collection event to recycle/refurbish computer monitors and periphery equipment. The collection, which took place at the State Fair Park from 10-4 PM on Wednesday, April 25, 2001, was provided for Lincoln businesses. A total of seventy-one monitors and over two thousand pounds of peripheral materials were collected at this event. In addition to keeping potentially hazardous material from the landfill, WasteCap gained valuable information regarding the organization and logistics of providing similar events in other areas. If you have any interest in sponsoring a program, or would like more information, contact the WasteCap staff.

The cars line up at WasteCap's Computer Collection event where over two thousand pounds of equipment was collected for refurbishing.

Clean Your Files

Clean Your Files Week, April 23-27, was a great success. This program recycled 29,711 pounds of paper from 28 participating buildings. We hope for increased volume and participation next year!
